

This letter to express my sincerest appreciation to all of our loyal customers for your continued patronage of our restaurant. At the Boston Cooker we are well aware that it is repeat customers like you who are largely responsible for keeping our doors open for business. Unfortunately, after much reflection, it is with great regret that we must inform you that the Boston Cooker in Oldsmar, Florida has been closed. This decision was not an easy decision to make. My partners and I all worked diligently to make a name for the restaurant and we have enjoyed over 25 years of continuous support but due to the current economical situation coupled with the BP disaster in the gulf, we have had to close the Oldsmar location. Rest assured that the transition from one store to the other will be seamless. We will continue to strive and provide the outstanding service that you have all become accustomed to. The Certificates purchased in the Oldsmar store will be honored at the Boston Cooker in Spring Hill. As I stated before this has not been in any form or way an easy decision to make but one that we could not avert. We apologize for any inconvenience that this may cause. Should you have any questions, please do not hesitate to contact us at the Boston Cooker in the Spring Hill location. We look forward to seeing you again and when you visit us, please let the staff know that you were customers of the Oldsmar location. Thank you again for your understanding and for your loyal patronage during these difficult times. God bless you all.

Yours with humble thanks,

Clay McDuff

General Manager
